

# Exclusive PLITCH Gaming Convention Guides: Packing List, City Maps, and Survival Tips

Gaming conventions like gamescom, Polaris, or TwitchCon are the highlights of the year for fans worldwide. But how do you prepare for them like a pro?

With the new PLITCH Gaming Convention Guide, you'll have everything you need: practical tips, exclusive tools, and personal insights to make your convention experience truly unforgettable.

## Exclusive Highlights of the PLITCH Guide

The PLITCH Guide not only provides comprehensive information but also offers unique features that make it an indispensable companion for convention visitors:

- **Free Packing List PDF Download**  
Never forget an essential item again - this handy checklist will ensure you're perfectly prepared.
- **Tips for Introverts, Including Expert Insights**  
This guide offers valuable advice and calming strategies for those who feel uncomfortable in large crowds.
- **Custom City Maps**  
Discover restaurants, bars, shops, and off-convention activities in cities like Hamburg (Polaris), Cologne (gamescom), or San Diego (TwitchCon). Each map is customized for convention attendees.
- **Pro Networking Tips from PLITCH CEO Robert Maroschik**  
Learn from a true expert how to make and keep meaningful connections at conventions.

## Comprehensive Content for Every Need

"I vividly remember the first time I went to a convention: I was completely overwhelmed by the crowds, the huge halls, and all the opportunities. I had no idea where to start," recalls Tobias von der

Osten, Head of Product and Operations at PLITCH. I wish I had a guide like this to help me navigate and get the most out of the experience. We want to provide this kind of support with our guide.”
